

## SEA CLIFF VILLAGE LIBRARY ANNUAL REPORT 2012-2013

The Board of Trustees and staff are gratified to see our Sea Cliff friends and neighbors discovering or perhaps rediscovering the Library. We are clearly not your grandmother's library although our love of books and reading remains a guiding principle. We are proud to present you a summary of 2012-2013 at your Library.

### **Technology/Electronic resources**

This year, your Library purchased an IMac computer for those of you who enjoy the Apple environment. The Friends of the Library purchased 3 iPads and a color copy machine for us. These additions are already popular with our residents.

We added subscriptions to Legal forms, PriceIt! Antiques and collectibles, and Mango languages. Try them; we think they'll be helpful to you!

### **Museum passes**

Our Museum Passes have proven to be quite popular, particularly in the nice weather. This year, we've added passes to the Vanderbilt Museum and Planetarium. I hope you'll find time this summer to visit us at the Beach where we have a selection of books for your use. And on a rainy day, the Library will show a movie for kids at 10:30 am in the Adult Library.
