I have been in contact with a gentleman who is willing to digitize our Sea Cliff News and give us a PDF indexed file for free. You can see other papers he's digitized at [www.fultonhistory.com](http://www.fultonhistory.com). This would be a great boon to anyone trying to find anything in these old newspapers. Now, one needs to just scroll through, page by page.

Assemblyman Lavine has recommended that we receive a Grant of \$2250 for programs. We are looking into a series of Computer classes for adults and young adults.

Finances

The Leftovers for the Library raised \$1159. I think it would be nice to honor Mike Lennon for all his hard work for the Library. A plaque costs approximately \$85. Do we want to go ahead with this; should we hang it in the Library or present it to him?

We are renewing the Metropolitan Museum pass for \$200.

Important dates

June 11<sup>th</sup> – Library Board meeting, 7pm.

Respectfully submitted,
