

DIRECTOR'S REPORT
November 2014

Letters

I wrote letters of congratulations to Senator Marcellino and Assemblyman Lavine..

Services

Village Liaison Kevin McGilloway has informed me that Village Attorney Stoler will be drafting a Conflict of Interest Policy for the Library. The larger question of legal representation remains, in my opinion, unresolved. Thanks to Kevin for his efforts on our behalf.

We have ordered Adobe software which allows users to edit PDF documents. The cost is \$1113. The Friends have agreed to pay \$500 of this. It will be installed on public and staff machines.

Finances

We have received the \$10,000 in Bullet Aid funds from Senator Marcellino.

Children's Library

The Children's Library has moved to Meeting Room C. All material has been boxed and stored. Demo work has begun. Thanks to Children's Library staff for all their hard work setting up the temporary library.

The Friends have approved funds for new carpeting for the Children's Library. I think we should begin to look at this shortly so we can have it delivered before the books and furniture come back.

Important dates

Tuesday January 13th – Library Board meeting, 7pm.

Respectfully submitted,

Arlene Nevens

Library Director
