

DIRECTOR'S REPORT

September 2015

Meetings

I attended the Civic Association's Newcomer's Event. Once again, a great success. We enrolled 18 patrons; I was pleased that many already had library cards. Thanks to Ann DiPietro for allowing us to attend.

I attended the Sea Cliff School PCA meeting and gave the parents in attendance a brief overview of services we have to help their children.

Buildings and grounds

I reported that the light on the Summit Ave. staircase is out; the railing and the Sea Cliff Ave. staircase is loose. John Miranda responded that solutions for both are in process as well as the completion of the waterproofing of the outside of the building. Once this is done, the replastering can begin.

Programs

The Children's Library is presenting a series of music programs for \$500. I would like to pay for this from Gift funds.

Finances

We received 90% of our NYS Aid in the amount of \$1265.

Open house

We have scheduled an Open House for Saturday October 17 from 1-4 pm to introduce residents to our offerings. I hope you will attend.

Important dates

November 10 -- Library Board meeting, 7pm.

Respectfully submitted,

Arlene Nevens

Library Director
